

A graph showing RED INTENSITY on the vertical axis and CELL GAP on the horizontal axis. The waveform is periodic, with points 20, 21, 22, 23, 24, 25, and 26 marked on it. Point 20 is at a peak, 21 and 22 are on a rising slope, 23 and 24 are at a minimum, and 25 and 26 are on a rising slope. An arrow labeled 18 points to the waveform.
